

## ECMA members

Four classes of members exist in ECMA: [Ordinary](#), [Associate](#), [SME](#) and [NFP](#). (Not-For-Profit organizations). Other categories of membership could be defined by the General Assembly, see [By-laws, 3.1](#) and [3.4](#).

For each category, the corresponding page lists the members, and provide links to the appropriate pages of the By-laws and Rules of ECMA, where details on membership can be found.
