PostScript® files of ECMA Standards (blue cover) and ECMA Technical Reports (white cover)

This CD-ROM 2 contains the PostScript® files of all the available ECMA Standards and Technical Reports. These files are organised in two folders: "standards" and "techreps". In addition to the actual files, each folder contains a PDF file with the list of the available documents.

CD-ROM 1 contains the description of all ECMA Standards and Technical Reports, and the corresponding Acrobat® PDF files.
